## Curved Base and Crown Molding

- \* Note: Base/ Crown moldings are the same height and have the same OG profile. Crown molding will be inverted when attached to racks.

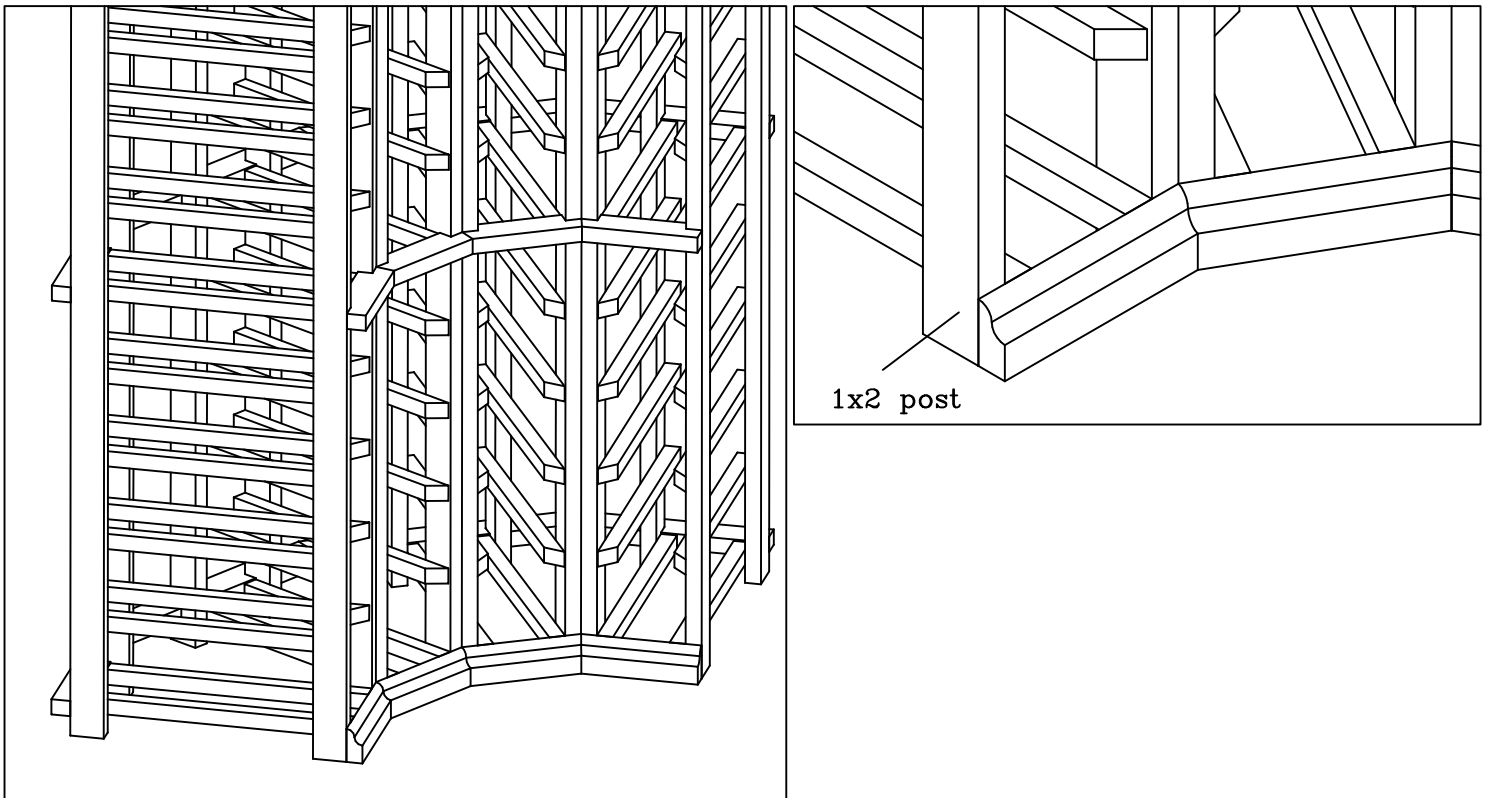

Mitered sections on base molding are slightly larger than mitered sections on crown molding

### Parts List

1	1 7/16" curved OG Crown
1	1 7/16" curved OG Base
1	Bag of nails

Assemble racks according to assembly instructions provided for each kit.

Attach base molding to bottom front of racks, nail through baseboard into 1x2 posts.

Nail through crown into front spacer to attach to rack.
