*Wine Storage Innovation and Excellence*

"From my perspective, we are very pleased with the quality of work, expedition of delivery, and the installation experience. The lockers are exactly what we had envisioned. The product is very high quality. Your installers were a pleasure to have on site and were extremely professional. A+ Thank you very much!"

"Aesthetically, the wine cellars are attractive and great. Absolutely, they help sell more wine. With two featured wine cellars, the people in the wine bars and dining room get to look at them. They are a showpiece and they look fantastic." - Jonathan H, Eddie Merlot's, Bloomfield, MI

"I have nothing but great things to say about my experience with Wine Cellar Innovations. The huge selection of wood, color, finish, and design options gave us complete freedom to design around the space we had to work with. The most important thing is the WOW factor when people come into our store and the first thing they ask is where did you get the racks? Enough Said. Cheers!"- Keller Ford / Primo Vino Cape Girardeau, MO

"Loving my racks from Wine Cellar Innovations! And the customers at my wine bar are in awe when they walk in the door."  
- John Faneris ~ Rustic Kitchen Market & Cafe ~

"I used Wine Cellar Innovations in designing and constructing our state of the art wine cellar. The result was a great success to the wine program in exposing the guests to the wine and promoting wine awareness and consumption. Thank you WCI."
